

MIRENGO RMG-N Invisible Infinity Door

Maximum transparency and optimal visibility

The all-glass half-height **MIRENGO Infinity** deep-freezing cabinet combines energy efficiency with an elegant design for a perfect goods display. Its low height also enables an open, modern store design and provides easier access to products.

- ⊕ With its extensive glass front design that mirrors the look of refrigerating cabinets, **MIRENGO Infinity** offers the ideal solution for today's range of low temperature requirements.
- ⊕ **Wood decors** create a pleasant atmosphere, increase the time spent in the deep-freeze department and **underline the cabinet's sustainable approach**.
- ⊕ The **versatile baskets** guarantee that the goods display always appears full to promote sales. They facilitate loading for personnel and are therefore time-saving.
- ⊕ Frameless, **energy-free premium infinity glass doors** combined with a very narrow frame construction ensure an optimal product presentation with **maximum visibility of goods**.
- ⊕ Energy-efficient and **long-life LEDs** emit very little heat and enable an attractive presentation of the goods.

Freshness. Our focus.

HAUSER

Your HAUSER solution for freshness

Transparent design, attractive goods display, energy-optimised refrigerated and deep-freezing cabinets and a comprehensive range of service have been guaranteeing freshness for almost seventy years: HAUSER is your reliable partner for refrigeration technology.

Founded in 1946 by Rudolf Hauser as a maintenance and installation service in Linz in Austria, the family-run business grows continuously. HAUSER manufactures its products using state-of-the-art methods at its two facilities located in Austria and the Czech Republic. Worldwide, 700 employees strive each day to provide you with individual solutions for freshness.

Everything from a single source

Planning, production and delivery of turnkey refrigeration units – HAUSER provides safety, reliability and service during the entire product life cycle. The top-quality products are tailored to fulfill your individual needs. The professional project management minimises your energy consumption and thus helps preserve the environment.

Broad spectrum of services

Our product portfolio includes refrigerated and deep-freezing cabinets, refrigeration technology and controls, cold-storage rooms and warehouses, and also a broad spectrum of services with 24-hour assistance and online temperature control. HAUSER guarantees optimal support around the clock with installation and service technicians close to your location.

Design, quality and energy efficiency

The team at our modern development laboratory is constantly working on innovations in the areas of goods display, transparency, ergonomics, function and
